The Home is a two bed-roomed (double and a single) which sleeps 5, using an additional stowaway double bed in the spacious lounge/dining area, and is designed for use by wheelchair bound occupants.

Internal sliding doors allow for easy wheelchair access into bedrooms and shower/toilet room. Walk-in shower has a fold down seat, the toilet with support arms/hand rails. With a well fitted kitchen, including microwave, fridge, iron and ironing board.

One side has a balcony area whilst the other side has a secluded open space for relaxing. Adjacent to the Home is a large open playing field.

The Holiday Park covers 3 areas of mobile homes each with its own recreational centre with bars, swimming pools, clubs, shops and restaurants, making it a suitable location for all ages. The largest of these areas has a pebble beach, a theatre and a very large indoor pool with a gym and sauna with steam room, massage and a salon for beauty treatments.

A complimentary bus operates between the three areas during the day and late into the evening..

Holiday makers will receive a temporary pass which will entitle them to use the facilities of the Park, including the Private bus service.

Green Lawns Leisure Park is the quietest of the three sites, with hedge screened cul-de-sac's, our Home has its own parking space and a ramp leading up to the balcony in Thrumley Copse.
